

Belleville Boy Scout Troop 350 shooting sports permission slip.

I understand that my son will be offered the opportunity to participate in activities involving slingshots, archery, BB guns and Air rifles, low and high powered rifles, and shotguns. The ranges used are set up and supervised by certified and/or specially trained personnel, with expertise in these activities. I am aware that safety is the first priority of the staff. I also understand that participation in these activities will, through classroom and range exercises, give my son proper knowledge and respect for the items used during these activities. In order to be able to participate, each boy must have a signed permission slip on file. Boys who have not turned in a permission slip will not be allowed to participate in these activities. Please return this permission slip even if you do not want your son to participate in these activities.

I understand that reasonable measures will be taken to safeguard my son from injury and I will be notified as soon as possible in case of an emergency. I will not hold responsible Boy Scout Troop 350's leaders or volunteers , Northern New Jersey Council, Boy Scouts of America or the staff employed by any of the ranges used during those activities.
